## Stage West for Kids.....

The characters in all of our favorite stories celebrate Christmas just like we do, but this year there is a problem. After a cruel misunderstanding between the Queen Of Hearts and Old King Cole, The Gingerbread Man doesn't want to run, Rapunzel want to cut her golden hair and The Three Bears don't want to wake up from their winter naps to celebrate. Will a lack of Christmas spirit in the land famous for magic mean the end of Christmas? Can Santa have time to save the day?

Join Stage West for the children's version of dinner theatre. For starters, Stage West displays an incredible "kids buffet" complete with all the favourites ... hot dogs, pizza, Jell-O, ice cream and much more. The buffet is then followed by a live child-oriented performance with plenty of humour for parents as well.

Soft drinks, tea and coffee are included; however gratuities and additional bar serve (including milk) are not included.
